

## Mt. Baker MG Club

April 14,2018 Club Meeting and Pac car open house. Stan Sexton sponsored a breakfast at the Farm House Restaurant where we had a nice breakfast and quarterly Club meeting.

Members attending: Stan Sexton, Joel Brossard, Tim & Kathy Randell, John & Becky Taft, Howard & Janeen Battan, Chet & Sachiko Haynes, Richard Cheadle and Susan Parr

### Topics for the meeting

Club insurance – NAMGAR – We have eight members in our Club now that have privately paid dues to belong to NAMGAR. This allows our club to be covered by NAMGAR for insurance purposes. Our insurance through Haggerty is due the end of May at a cost of \$350 annually.

Joel said that he will be reviewing insurance though NAMGAR and will send out information to the Board Members to review and ensure that it meets our needs. If the NAMGAR insurance does meet the Club's needs, then we will not have to pay the Haggerty Insurance-saving the Club \$350.

Becky Taft was kind enough to give Joel a memory stick of photos for our Car Club website. Joel was, also, seeking pictures for our new MG Club flier. The intent is to distribute the flyer to the members, who can then hand them out to people that they meet that either have a MG or our interested in joining the Club. Should be a good marketing tool for our Club. Joel is seeking a volunteer to put the flyer together. If you are interested and have the technical ability to do this, please contact Joel Brossard. Dan Hewitt will work at getting them printed up.

Stan then led us to Pac car's open house where we enjoyed all the new tech stuff. Thank you Stan.
