

Hi All,

We met at the Local 20 Taproom for great beer tasting and a dinner from a great food truck. The food truck was called ( Stick a fork in it ). We sat outside in a fenced area with the sun shining in on us. Members brought their MG's for others to look at. Members present were myself, John & Becky Taft ( who organised it ), Randy & Janeen Battan, Dave & Leslie Borg, Tim Ferrel, & Susan Parr. It was nice to have a good visit.
